CARD PAYMENT WHEN ORDERING WOULD BE APPRECIATED. WE CAN ALSO TAKE CASH PAYMENT ON
COLLECTION.

Dear friends,

After a long and unprecedented break, we are getting ready to re-open!

We will be open on Monday 13th of July for take away and beer garden drinks, Thursday 16th July Friday and Sunday for meals and drinks take away, or beer garden tables. We will be able to serve outside tables with meals and drinks.

You will have heard all sorts of things in the media about how pubs will be run, some more factual than others. What is important is that we have completed a thorough risk assessment and are as certain as we can be that we are operating in an environment that is safe for you and our staff.

We will need your help to make this happen.

- Find an available table, then order drinks and/or food at the bar. Enjoy your cool and refreshing drinks. We will look after you as much as we can at your table from then on, although it's still ok to return to the bar maintaining social distancing if you do.
- Please take advantage of setting up a tab for payment, even if you're only having a few foamy pints. The less exchanging of cards or cash the better.
- Try and use cards for payment and contactless if possible.

- There can be no more than 6 people around a table (from 2 families max indoors) and we'll need to take all of your details (which we'll destroy on a fiery pyre after 21 days) • Don't move the chairs or tables. We have set them out so as to maintain social distancing as much as possible • We love Children, but they can't run around like the 'good' old days. Please keep them in check.

- Always try and book a table if you are going to dine with us. We get quite busy during the 'traditional' eating times and we are open all day so why not have a more relaxed experience outside of the busier times?

- If the weather is nice (like it was during lockdown) why not enjoy the sun outside? You can sit OR stand in groups of up to 6 people – socially distancing of course) and get a beautiful rosy glow.

Above all, R.E.L.A.X. Things are going to be a lot slower in our pubs for some time so take the time to enjoy socialising (distantly). Be nice to the staff and be nice to each other.

There will be a restricted use of the toilet facilities, strict access and cleaning procedures will be in place.

Relax and Enjoy, Welcome back

Mellington Hall Staff
